

## OVERVIEW

SJ Medical and Supply Company LLC. is focused on B2B medical equipment and supplies for the state of Arkansas and US Territories. Our mission is to assist clients within hospitals, nursing homes, and doctors' offices with the most essential supplies.

As a supplier, our goal is to provide servicing for our healthcare customers as they grow in business while alleviating some of the pressures of daily purchasing and hassle in relation to ordering supplies.

We assist with ordering PPE supplies such as surgical supplies, masks, gowns, gloves, face shields, antibacterial soap/hand sanitizer, blood pressure cuffs, wound bandages, equipment etc.
